

Hello Fraser,

We would like to say a big thank you for your performance on Thursday. I have to admit I had some concerns, with the travelling and the size of our audience, the age of our audience and of course the open public area, but you truly exceeded all expectations. Your show was really interactive and fun. We will definitely recommend your services to anyone looking for great entertainment. Of course reliability, clean fun, reasonable rates were all really important but the best thing you gave to us were awesome memories. We still haven't stopped talking about the evenings events and probably won't for a longtime. Again, thank you so much we really appreciated your time and performance.

Yours Truly,
