To whom it may concern,

I am writing this letter in support of Fraser Frase the Hypnotist, whom we have had perform at our safe grad event for the past 3 years. Fraser has been extremely professional and great to work with, and has always been very accommodating to our needs. He puts on a fantastic show, and it is always enjoyed by our students. Fraser is energetic and does a great job incorporating our students into the show. We have had local hypnotists in the past, and we find it worthwhile to bring Fraser from Ontario to Nova Scotia for the great performance.

Fraser is a great entertainer and I highly recommend him. Feel free to contact me if you have any questions.

A handwritten signature in black ink, appearing to read 'Jim Burke', is written above the typed name.

Jim Burke
Science Department Head and Safe Grad Coordinator
